Direct Frost Resistant System with Evacuated Tubes				
 	Hyperion 100/1,5 Indirect Solar Water Heater System 100lt Aelios Series ESKOM REBATE : R2,998.00 ESKOM CODE : Hyperion 100L (Rebate R2,998.00) Total Cost	Water Tank: Collector: Closed Loop Materials: External Loop Materials: Extras : Collectors:	Steel and enamel - Dual action- Closed loop circuit. External one piece seamless trough of naval aluminum All couplings - Lagging - Lever Ball Valve, Filling cock - Glycol - Support Base Element - Thermostat Support base 1 X 1,5	R 10 995.00
 	Hyperion 150/2,0 Indirect Solar Water Heater System 150lt Aelios Series ESKOM REBATE : R4,784.00 ESKOM CODE : Hyperion 150L (Rebate R4,784.00) Total Cost	Water Tank: Collector: Closed Loop Materials: External Loop Materials: Extras : Collectors:	Steel and enamel - Dual action- Closed loop circuit. External one piece seamless trough of naval aluminum All couplings - Lagging - Lever Ball Valve, Filling cock - Glycol - Support Base Element - Thermostat Support base 1 X 2,0	R 12 995.00
 	Hyperion 200/2,6 Indirect Solar Water Heater System 200lt Aelios Series ESKOM REBATE : R5,332.00 ESKOM CODE : Hyperion 200L (Rebate R5,332.00) Total Cost	Water Tank: Collector: Closed Loop Materials: External Loop Materials: Extras : Collectors:	Steel and enamel - Dual action- Closed loop circuit. External one piece seamless trough of naval aluminum All couplings - Lagging - Lever Ball Valve, Filling cock - Glycol - Support Base Element - Thermostat Support base 1 X 2,6	R 14 895.00
 	Hyperion 250/4,0 Indirect Solar Water Heater System 250lt Aelios Series ESKOM REBATE :R7,933.00 ESKOM CODE : Hyperion 250L (Rebate R7,933.00) Total Cost	Water Tank: Collector: Closed Loop Materials: External Loop Materials: Extras : Collectors:	Steel and enamel - Dual action- Closed loop circuit. External one piece seamless trough of naval aluminum All couplings - Lagging - Lever Ball Valve, Filling cock - Glycol - Support Base Element - Thermostat Support base 2 X 2,0	R 17 998.00
 	Hyperion 300/4,0 Indirect Solar Water Heater System 300lt Aelios Series ESKOM REBATE : R8,964.00 ESKOM CODE : Hyperion 300L (Rebate R8,964.00) Total Cost	Water Tank: Collector: Closed Loop Materials: External Loop Materials: Extras : Collectors:	Steel and enamel - Dual action- Closed loop circuit. External one piece seamless trough of naval aluminum All couplings - Lagging - Lever Ball Valve, Filling cock - Glycol - Support Base Element - Thermostat Support base 2 X 2,0	R 19 999.00
